REPORT

DATE: 23/02/2023

On 23.02.2023 a lecture session on Career Guidance has been conducted for the students of B.Sc. III (Maths Group). This session was delivered by Dr. A.K.Panigrahi sir, Senior Professor, Department of Physics, Kirodimal PG College, Raigarh (C.G.). In this program about 62 regular and private students were present and interactively participated to choose the area of study after completion of their under graduate course. The resource person guided them about the best possible way in different fields to be opted by the Science Graduate. He highlighted the need of qualifying National Eligibility Test (NET) if any student is willing to serve in Higher Education and also shared the ideas to encourage them towards research work. He attracted the students towards preparation for different State and National level competitive examination if they wish to opt administrative jobs after graduation.

This program was organized by the Department of Physics and vote of thanks was given by Mr. Upendra Kumar Verma, Assistant Professor, Department of Physics, Govt. Dr. Indrajeet Singh College, Akaltara (C.G.).
